spelling of any words that they found challenging. This will also enable them to check that the meaning of the word is suitable for the sentence.

- **HS2 (The high speed railway line) should continue to be built.** Do you agree/disagree? Your child can write an argument about this statement. <https://www.twinkl.co.uk/resource/t2-e-4791-ks2-writing-a-balanced-argument-activity-pack>
- **Story Task:** Your child can now invent a new character for their very own story. They must think about the setting they created last week and how their character would fit in to this. They must also consider the audience they want their story to appeal to. <https://www.twinkl.co.uk/resource/creating-characters-writing-activity-pack-age-7-11-t-e-2550104>

### Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about the area in which they live. Learning may focus on your local area, famous people, key landmarks and links to your city.

- **An Architectural Masterpiece-** Give your child the task of designing a new building/structure to inspire the residents of their local town or city. They must research, plan, design and then make a model of it using materials from around the house. Ask them to create a criteria for success and then evaluate their model against this.
- **Promoting Your Local Area-** Tell your child that a visitor from another country is coming to stay in the city for a week. They really need to impress them by showing them the most interesting places in their local area. Where would they take them each day? Plan the itinerary for each day detailing the transport that will be taken to each location, how long will be spent there, what will be eaten and any activities that may take place. <https://www.visitsurrey.com/things-to-do>
- **Where in the World? -** Show your child how to use Google Earth or Google Maps to look at the geographical features of Birmingham, Aberystwyth and Perth (Australia). How are these places the same? How are these places different? What impacts the similarities and differences? After, they can then choose three different places and do the same thing. Do they notice any patterns? [https://www.google.co.uk/intl/en\\_uk/earth/](https://www.google.co.uk/intl/en_uk/earth/) <https://www.google.co.uk/maps/>
- **Places of Worship -** Shah Jahan Mosque in Woking, Jewish Guilford Synagogue, London England Temple, ST Andrews church in Cobham are all places of worship in Surrey. Can your child order them on a timeline based on the year they were built? Why do they think some of these places were built more recently, whilst others were built many years ago? Do they think the society they live in has had an impact on this?
- **Graffiti Art/Street Art-** Shoreditch in London is the home to lots of Street Art .But has graffiti always been seen in a positive light? How have attitudes towards graffiti changed over time? Is all graffiti good? Discuss these questions with your child and then ask them to design their own graffiti art using paper and crayons or felt tips.
