Life in all its fullness

5 February 2020

Dear Parents/Carers,

Our imaginative learning project for next half term is: Paws, Claws & Whiskers

Soft fur, sharp claws and twitching whiskers. What's your favourite animal? One that meows? One that barks? Or maybe one that scurries or slithers? From pets at home to animals in the zoo, let's find out what animals like to eat and where they like to sleep. Do you know how to look after a rabbit? A cat? Or even a snake? Who is a herbivore and who is a carnivore?

The memorable experience that will start our project will be: a visit from a local animal owner.

Objective of this activity: To talk about looking after pets. Before the visit, we will ask the children to think of questions they might ask the owner about feeding, grooming, cleaning, playing, training and exercise.

Additional visits: None

Yours sincerely

Miss Joyce, Mrs Flood, Mrs Eley & Miss Fenwick
