

School Improvement Plan 2022-23

Quality of Education	Personal Development	Leadership and Management	School of Faith
Attainment in Writing is raised through a powerful and effective whole school approach	A multifaceted whole school approach to mental health and wellbeing promotes a supportive and inclusive culture and environment for all pupils, parents and staff.	Embed the approach taken by governance in holding the school to account.	Pupils have opportunities to become advocates for change in the global community.
WalkThrus and Instructional Coaching develop a common understanding of evidence-informed teaching strategies that promote great teaching for all pupils, including those with SEND.		St Andrew's is committed to educating and raising awareness of sustainability whilst taking steps to reduce our carbon footprint.	Pupils and adults experience Christian worship in different ways so that they develop an appreciation of the diversity of liturgical and other traditions
Pupils are inspired and engaged by a broad and balanced, coherent curriculum that develops skills and knowledge over time.
