

Reception Newsletter 18th March 2022

THIS WEEK

We have been loving receiving visits from other year groups and we are so lucky to be part of such a fantastic school community!

This week we had some pupils from Year 6 come to visit Reception. They had been designing a quiz in their computing lessons and so our Reception pupils got to answer their quizzes. It was lovely to see the pupils from different year groups working together so well.

Our Farmer Duck story became Farmer Pig and the pupils have all been doing some writing about our new story. We will be sharing the writing they have been doing at Parent Consultations next week.

In Maths we have been looking at numbers to 10. We have been working on recognising the numbers and spotting mistakes in a number line. We have also been working on counting backwards and singing lots of counting backwards song such as '10 Green Bottles' and '10 in the bed'; matching the numbers at the same time.

Next Week

Parent Consultations are on Tuesday 22nd March (Online) and on Thursday 24th March (in person). Please make sure you have signed up for a slot and if you have any problems please let Mrs Dinnick know as soon as possible.
