

DA AWARENESS MORNING 10TH MARCH 2026

I warmly invite you to attend a community session aimed at increasing awareness and understanding of domestic abuse and coercive control, and the significant impact these experiences can have on victims.

The session will explore:

- **What coercive control looks like beyond physical abuse**
- **How domestic abuse affects victims' emotional and psychological wellbeing, both while living with the abuser and after separation**
- **Why awareness matters in shaping safer outcomes for our local families**

Your presence would be greatly appreciated, and I hope you will be able to join us for this important conversation on Tuesday 10th March, from 9:00am to 1:00pm, at Church Gate House, Cobham, KT11 3EJ.
